We know that dashboards alone don't change people's minds.

LEADERS DO.

12

Justice Counts data and visualizations equip agency leaders with a **suite of data-driven products** that support agency missions and help drive decisionmaking toward improving outcomes.

13

Our team works with you so Justice Counts tools arrive customized and populated with **your data telling your story.**

14

LET'S GET STARTED.

Spend time with the Justice Counts team and leave with your own dashboard and tool suite!
